so as to permit of the ~~Companies~~ ^{Companies} being
inspected by his Office Assistant

1) It has been observed in the
R.O. reviewing the last annual report
of the working of the Dept. that the inspection
of Companies ^{was} ~~has been~~ very poor, and the
R.O. was requested to arrange for
the inspection of more registered offices in
future.

2) The R.O. now ^{proposes} ~~wants~~ that his
office assistant, who is well-versed in
mercantile law should also inspect the
Companies in addition to the work done
by himself and the Dy. Commissioners.
He therefore requests that Rule 7 of the
Rules under the Act may be so
amended as to permit one of his
subordinates ~~deputed~~ ^{deputed} by him to inspect
the Companies.

3) The request of the R.O. is for

Under the notification of 16th July 1926, the Deputy Comrs are ex-officio Asst. Registrars of M. stock Companies for the purpose of inspecting companies within their respective districts. If now Mr. Krishnamurti is appointed as Asst Registrar under Sec 248(1) and given jurisdiction over the entire State, he will practically be legally entitled to exercise all the powers and perform all the duties of a Registrar under the Regulation, since a 'registrar' as defined in sec 2(15) includes an asst Registrar performing the duty of registration of companies. ~~and there~~ ^{There} is nothing in the notification now proposed to be issued or in the rules now in force under Sec 248(1) which can be said to prevent an asst Reg^r generally appointed under Sec 248(1) from performing the duty of registration of companies. On the other hand Sec 248(1) enables Govt to appoint assistant Registrars for ~~performing~~ ^{the} registration of companies, and to make rules with respect to their duties. There are no rules now which determine the duties of an asst Reg^r and therefore the legal effect of a notification such as is now proposed would be as stated above, namely that Mr. Krishnamurti would for all practical purposes be ^{able to carry out all the duties of} the Registrar under the Regulation.

If what is required is only an enabling

S J r

I have the honour to state that I find it useful and convenient to depute my Office Assistant Mr. A. V. Kristnamurti, B.A., B.Com., to inspect the Registered Offices of Companies in the course of his work as Special Auditor of Companies for Income tax purposes. He is very well versed in Company and Mercantile Law and his Notes of Inspection would be of help to me in checking the state of affairs in the said companies. I therefore suggest that, when he visits districts in the course of his other work, I may be permitted to make his service for such inspections.

2. This work is of course only intended to supplement the inspections done by myself and by Deputy Commissioners of Districts, under the ordinary rules, and is not intended in any way to supplant the same. In this view, I recommend that, in Rule 7 of the Rules contained in Notification No. I.C. 372/J.S. 8-25-6 dated 15th/16th July 1926, the words "one of his subordinates deputed by him" may be inserted between the words "Registrar" and "or" in line 1. The Rule as amended will read as follows:-

"The Registrar or one of his subordinates deputed by him, or the Deputy Commissioners of Districts as Ex-officio Assistant Registrars of Joint Stock Companies within their respective Districts shall institute such enquiries and investigations at the offices of registered Companies, or otherwise, as shall be necessary to obtain information or evidence respecting defaults or respecting any infractions of the law made by such Companies in complying with any of the provisions of the Regulation. Inspection of the Offices of Companies situated in the Bangalore City will, however, be conducted by the Registrar either by himself or by deputing one of his subordinates."

I request that a Notification may kindly be issued by
Government accordingly.

I have the honour to be
